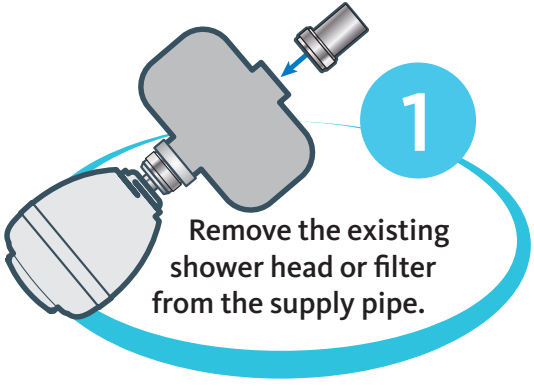
AQ-2100C

Installation Instructions

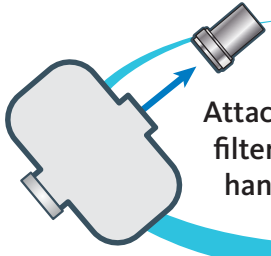
Cartridge life 6 months or 7,000 gallons

aquasana®
Live Healthy™



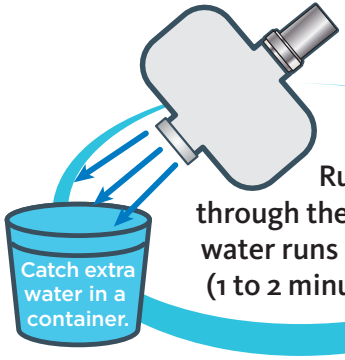
1

Remove the existing shower head or filter from the supply pipe.



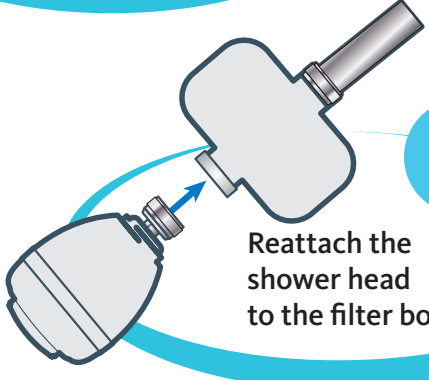
2

Attach the new shower filter to the supply pipe; hand tighten only.



3

Run water through the filter until water runs clear. (1 to 2 minutes.)



4

Reattach the shower head to the filter body.
